

The **Acknowledgments** section is incomplete. It should be as follows:

Acknowledgments

This paper is an extension of a previous publication (Gutierrez & Mesequer, 2010b), with the generalization to n-ary cost functions, deeper explanations, more detailed proofs, and more experiments. Authors sincerely thank reviewers for their useful criticisms. This work was partially supported by the Spanish project TIN2009-13591-C02-02.
